

13. The table below shows the volumes added from a burette during a titration.

Titre (mL)					
1	2	3	4	5	6
19.23	19.94	19.98	19.94	20.02	19.94

What value should be used in the titration calculations?

- (a) 19.84 mL
- (b) 19.94 mL
- (c) 19.95 mL
- (d) 19.96 mL
